

BUSINESS ADMINISTRATION

Specialization: Accounting

ABOUT THIS DEGREE PROGRAM

BUSINESS CORE A FOUNDATION IN BUSINESS

This program features a series of essential Business Core courses to help build interdisciplinary skills critical to workplace success. These courses introduce students to key disciplines that support business careers and cover concepts related to general business principles, including accounting, marketing, management and the analytic skills that inform business decision-making.

A PROGRAM TO FUEL YOUR FUTURE

Learn essential business skills necessary to work in a corporate environment in this specialization, along with how to produce financial statements using GAAP guidelines, use managerial analysis to budget for sales and costs, apply basic marketing and project management strategies, and use financial statements in the decision-making process.

IS THIS PROGRAM FOR YOU?

If day-to-day you want to use business and accounting skills such as producing and analyzing financial statements, leveraging tax planning principles, and using auditing skills to help organizations thrive, this program may be a good fit for you.
