

PROJECT MANAGEMENT

ABOUT THIS DEGREE PROGRAM

Learn to lead forward. The Master of Project Management (MPM) program helps you develop the ability to solve real-world management problems, and to exercise sound management judgement through practical application of project management concepts and skills. You'll focus on planning, budgeting and controlling multi-project programs that involve legal and ethical issues, conflict resolution and application of project software.

Through our Master of Project Management Degree program, you'll be introduced to specific concepts and skills required to successfully implement new, or enhance existing, commercial and/or technical projects.

CAREER OPPORTUNITIES

Graduates of DeVry's Master of Project Management program may consider, but are not limited to the following careers:

- Business Manager
- Operations and Supply Chain Manager
- Project Manager
- Program Manager
- Project Director
