Licensure and Certification Statement

This program meets the educational requirements to sit for the CPA Exam or seek licensure as a CPA in the State of Maryland, provided the student has completed the appropriate undergraduate coursework. This program is designed for individuals with a bachelor's degree in accounting or a business degree with a focus in accounting or finance.

Please note that DeVry's Bachelors degrees in Accounting and Business were used as a baseline for these determinations. It is crucial to check with your state board of accountancy to ensure that all specific educational requirements for licensure in your state are satisfied. Visit <https://www.devry.edu/compliance/student-consumer-info.html#cpa> for additional information.

¹Withdrawal Rate Calculation and Methodology: The indicated rates represent for the program the percentage of online students who were enrolled in the Fall Semester of 2022 who neither graduated by nor were enrolled at the end of the Spring semester of 2023.

²n/a<10: The program is too new and/or there were fewer than 10 students in the program and this information was withheld to protect confidentiality of student information.

³Completion Rate: The indicated rate consists of all students entering DeVry University in the Fall 2017 cohort, minus qualifying exclusions. Qualifying exclusions include students that left the institution for one of the following reasons: death or total permanent disability; service in the armed forces (including those called to active duty); service with a foreign aid service of the federal government, such as the Peace Corps; or service on official church missions. The completion rate is the percent of the cohort graduating from a program within 150% of program length from the student's initial start date. For purposes of this calculation, full-time and part-time is defined by IPEDS methodology. Undergraduate full-time is 12+ credits attempted during the Fall cohort semester. Under this definition, graduate full-time enrollment is 9+ credits attempted during the Fall cohort semester.

⁴Median Combined Loan Debt: The figure presented represents the median combined loan debt for federal loans, institutional loans, and private loans certified by the school for all online students who completed the program during July 2022 through June 2023.

For non-matriculating students, the indicated "X" represents that this information is not available for students in a non-matriculating program.
