**Program of Study:**

**Below, these paragraphs contain the institution's and student's rights and duties.**

**Purpose**

The intent of this Agreement is to make clear the educational services to which you are entitled as a student of DeVry. This Agreement also assures your eligibility to participate in the range of student benefits that are offered as part of your degree or certificate program. Academic requirements and your financial obligations under this Agreement are also covered in the following paragraphs.

**Application Fee**

An application fee of \$30 is required.

**Academic Catalog**

The University's academic catalog, effective \_\_\_\_\_, is available at:

<http://www.devry.edu/academics/catalog.html>

**Tuition**

Within each session, matriculating students in all programs and undergraduate certificates are charged \$514 per credit hour. Tuition charges are calculated each session per credit hours enrolled. Tuition is billed according to enrollment for the entire session. ARRANGEMENTS FOR PAYMENT OF TUITION AND FEES MUST BE MADE PRIOR TO BEGINNING CLASSES IN THE FIRST SESSION. FINANCIAL OBLIGATIONS MUST BE MET IN ADVANCE OF EACH TERM UNLESS A STUDENT WILL BE USING ONE OF DEVRY'S PAYMENT OPTIONS.

Students requiring repeat work will be charged additional tuition at the prevailing tuition rates. This may extend the degree or certificate program by additional sessions or semesters. Schedule changes affected during the add/drop period will result in a tuition adjustment according to the tuition policy.

DeVry reserves the right to change a student's status as determined by the student's cumulative enrollment in either online or site-based courses. Tuition for all coursework is assessed according to the student's primary program of enrollment. Student's first program of study is considered the primary program unless the student requests a program change.

**Tuition Deposit for F-1 Applicants**

A refundable tuition deposit equivalent to the cost of 12 credit hours charged at the current standard tuition rate is required from initial F-1 applicants prior to entering their first semester with DeVry. The tuition deposit is due after

---

applicant's F-1 visa has been approved by the U.S. Consulate or Embassy abroad and prior to the applicant's entry into the United States. The tuition deposit will be applied to tuition charged for the student's first semester. This tuition deposit will be refunded if the applicant subsequently cancels enrollment.

**California Refund Policy, Loan Considerations, and Financial Obligations**

Students have the right to cancel their enrollment agreement or withdraw from courses. In the event a student wishes to withdraw or cancel their enrollment agreement, DeVry University shall issue a pro rata refund that is no less than the total amount owed by the student for the portion of the educational program subtracted from the amount paid by the student, calculated as follows:

The amount owed equals the daily charge for the program multiplied by the number of days the student attended, or was scheduled to attend, prior to withdrawal. Except for items contained in the enrollment agreement or catalogue that are specified as non-refundable (not to be more than \$250.00), all amounts paid by the student in excess of what is owed as calculated shall be refunded.

Except in the case when an institution provides a 100% refund, any assessment paid pursuant to the state tuition recovery fund is non-refundable.

DeVry University shall also provide a pro rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60% (sixty percent) or less of the period of attendance.

If the student has received federal student financial aid funds, the student is entitled to a refund of monies not paid from federal student financial aid program funds. Please note, if the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund.

DeVry University participates in the Title IV Federal Student Aid program as well as financial aid programs in certain states. For consumer information, please visit [www.devry.edu/studentconsumerinfo](http://www.devry.edu/studentconsumerinfo).

**Withdrawal Procedure**

In the event that a student decides to withdraw from classes or cancel their enrollment agreement, notice should be provided immediately in writing. This withdrawal may be effectuated by this written notice or by the student's conduct (including, but not limited to, a student's lack of attendance). Additionally, to insure timely receipt of this notice, students who wish to cancel are advised to call their student service advisor immediately upon submission of their written notice.

For the purposes of determining a refund, a student shall be considered to have withdrawn from an educational program when they withdraw or are deemed withdrawn in accordance with the withdrawal policy stated in the academic catalog.

Students who are no longer enrolled, including withdrawn and graduated students, are responsible for all outstanding financial obligations. At the time of the student is no longer enrolled, the student agrees to pay DeVry University any outstanding balances less than \$100.00 in full; or in four consecutive monthly installments if the balance is \$100.00 or more, including all finance charges at a 0% annual fixed interest rate, in substantially equal amounts sufficient to pay the principal balance in full. DeVry will send a monthly notice of the amount due and remaining balance. DeVry will provide students with a disclosure statement setting forth the material terms prior to a student's first payment becoming due. Failure to fulfill all financial obligations may result in a student's account being reported to the credit bureaus and denial of student's subsequent registration.

**Withdrawal Deadline**

If a student chooses to cancel their enrollment agreement or withdraw from classes they may do so at any time. However, after classes begin, students wanting to withdraw from a course must formally request a course withdrawal in writing prior to Friday of week seven at 11:59pm MST.

A student or any member of the public may file a complaint about this institution with the Bureau for Private Postsecondary Education by calling (888) 370-7589 or by completing a complaint form, which can be obtained on the bureau's Internet Web site [www.bppe.ca.gov](http://www.bppe.ca.gov).

### Student Tuition Recovery Fund

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 North Market Blvd., Suite 225, Sacramento, CA 95834, (916) 574-8900 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of noncollection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.

### General Information

Course sequences may vary and DeVry reserves the right to revise, add or delete courses, alter the total number of

---

class hours, suspend, cancel or postpone a class for reasons including, but not limited to, the following: natural occurrences or other circumstances beyond DeVry's control, holidays, special institutional activity days, and registration days. If it becomes necessary for any reason to interrupt its regular class schedules or starting dates, DeVry may, upon reasonable advance notice, suspend or cancel instruction. DeVry will advise students as soon as possible of dates for resumption of classes.

If the number of students enrolling in a starting class is deemed insufficient, DeVry reserves the right to cancel the starting class (a class which begins the first term of an academic program). If this occurs, applicants will be given a full refund, within thirty days, of the application fee and prepaid tuition. In the event that a continuing program or class is cancelled, students will be offered the opportunity to transfer within the DeVry system with full credit for all course work completed. Not all programs are offered at all locations and online. Some courses may not be offered every session. Check with your administrator regarding course availability. All students enrolled in site-based programs will be required to take some coursework online and, for some programs and locations, a substantial portion of the program may be required to be completed online. Check with your student support advisor regarding course availability and delivery format.

If the standard length of programs must be changed, then tuition for any additional coursework will be charged at the prevailing tuition rate. DeVry is not obligated to provide coursework for students who fail, withdraw from a course, or interrupt their studies. Although the programs are of varying lengths, the term of this Agreement is for one semester only. If a student's enrollment is ongoing after the first session with no interruptions, no new Agreement need be signed, and the terms of this Agreement (except for tuition and refunds in the case of a tuition increase) are reaffirmed and shall be applicable to the student and DeVry upon the student's enrollment for each consecutive subsequent session and during the term thereof. Students who transfer to another DeVry location or program must sign the appropriate academic form prior to transferring. Students readmitted to the University after missing six or more consecutive sessions of enrollment reenroll under prevailing tuition policies at the time they are readmitted and will be asked to execute a new Agreement prior to resuming. A second application fee is not required of readmits.

There may be a slight difference between minimum credit hours required for graduation and total credit hours required if all courses are taken at DeVry. Credit hour differences may benefit students with qualifying transfer credit. Students should contact their student support advisor or academic advisor for more information.

Standard business methods are used in the collection of delinquent payments. Students are required to keep DeVry informed of their current home and local address.

In order to remain enrolled, students must demonstrate satisfactory academic progress toward completing their programs as outlined in the academic catalog. To graduate from any program, a student must maintain a cumulative grade point average of not less than 2.0 and satisfactorily complete all required coursework specified by DeVry. Additional conditions are detailed in the academic catalog. DeVry reserves the right to change the requirements for graduation to keep pace with educational, scientific, technological or similar developments. Changes may be applied to students already enrolled. For those cases, a student support advisor will specify an alternate plan of study which must be completed in lieu of the original requirements.

Students seeking resumption of study after involuntary or voluntary withdrawal need to be aware that not all courses are offered each term, and that curriculum changes may have occurred. A review with a student support advisor will be made to determine if an alternate plan of study is needed to permit those students to complete the graduation requirements. DeVry is not obligated to provide coursework for students who fail, withdraw from a course, or interrupt their studies.

Except by attached printed addenda to this Agreement, if any, written by DeVry and acknowledged by applicant, this Agreement is not subject to oral or written modifications from its printed form. This agreement supersedes any DeVry enrollment agreement you may have previously signed.

The University provides support for the F-1 visas needed by foreign students by issuing the I-20 if requirements are met and sponsoring the student as long as they are attending their specific academic program for the duration of their F-1 visa. Students are responsible for their visa applications and all associated fees to be paid by the student directly

to the Student Exchange and Visitor's Program (SEVP).

**Purchase of Texts, Lessons, and Supplies**

*Textbooks, Supplies and Specialized Equipment:* Costs for textbooks and supplies vary by program. For full-time students in the following programs, average estimated per-session costs for textbooks and supplies are:

- Cloud Computing, Communications, Computer Information Systems, Cybersecurity and Networking (associate), Engineering Technology (Associate), Engineering Technology (Bachelor's), Health Information Technology, Information Technology & Networking (Associate and Bachelor's levels), Internet of Things, Management, Network and Communication Management, Cybersecurity & Networking, Medical Billing and Coding, and Medical Billing and Coding-Health Information Coding: \$175

Students enrolled in these courses are charged \$40 per course for electronic textbooks. Some courses utilize multiple electronic textbooks, however only one \$40 electronic textbook fee is charged.

Students have the ability to purchase their textbooks (hardcopy or electronic) from an outside source, but must purchase those specified by DeVry. In courses that utilize electronic textbooks, students have the ability to request a credit of \$40 for the electronic textbook fee. Students must request this credit by the Sunday following the first day of class, if a credit for the electronic textbook is not requested by this time the fee is non-refundable.

NOTE: Students who order a print-on-demand book, or otherwise print the electronic textbook are not eligible for the \$40 electronic textbook credit.

If electronic versions of textbooks are included, hard-copy textbooks are not required for these courses but may be purchased for an additional cost. Technology and software supplies must be those specified by DeVry.

Further information is available from DeVry's student support advisors.

DeVry University receives commissions derived from the gross revenue collected by the bookstore operator for internet sales. These commissions are used for expenses associated with the selection and ordering of textbooks and e-learning materials.

**Other Costs**

Effective for students starting enrollment November 2018 and after sessions, a non-refundable student services charge of \$40 per session is applied to all students. A \$400 one time per enrollment Learning Management System Access Fee is applied to all students. See the academic catalog for details.

A non-refundable parking fee, not to exceed \$60 per session, per vehicle, may be required of students who utilize DeVry parking lots.

DeVry reserves the right to change fees at any time without notice. These charges are non-refundable.

**Student Financial Aid**

DeVry’s interest bearing installment loan program is available to students who need assistance to finance their DeVry education. If eligible, students will be given documents outlining terms and conditions of the plan. Federally or state funded financial aid programs may also be available to qualified students.

Students who finance their education through loans are responsible for repayment of the full loan amount plus interest, less the amount of any refund. If a student defaults on a federal or state loan both of the following may occur:

1. The federal or state government or loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; and
2. The student may not be eligible for any other federal student financial aid at another institution or other government financial assistance until the loan is repaid. Details on all financial aid programs are available at the school, and at <http://www.devry.edu/financial-aid.html>.

### General Admission Requirements

To be granted unconditional admission to DeVry, a prospective student must interview with a DeVry admissions advisor/representative and complete an application. In addition, other general and specific requirements must be met regarding age, prior education and evaluation of proficiency in the basic and prerequisite skills needed for college-level work. Once DeVry accepts the application, applicants are conditionally admitted pending satisfactory completion of remaining admission conditions. Detailed information as well as additional requirements for selected programs, formats and applicants is found in the academic catalog.

Applicants with prior post-secondary attendance must present transcripts indicating all previous work. Students requesting transfer credit for prior post-secondary education must submit official transcripts before credit is awarded.

Each applicant must be at least 17 years old on the first day of classes. Documentation of age may be required.

Each applicant must have earned one of the following credentials from a DeVry-recognized organization: high school diploma or equivalent, General Education Development (GED®) certificate, or a postsecondary degree. The diploma or other acceptable documentation of the applicant's educational achievement must be provided for the student's file by the end of registration unless DeVry grants an extension. An official transcript (or equivalent documentation) with the grade point average (GPA) and graduation date must be submitted by the end of the second session of enrollment. Students who do not meet this deadline are dropped from all courses in which they may be enrolled for future sessions. Until official transcripts are received, such students may not enroll.

Prior educational performance is considered in conjunction with demonstrated proficiency in basic college level skills to determine admissibility and appropriate course placement. DeVry grants unconditional admission to individuals whose prior educational performance meets the criteria outlined in the academic catalog. Applicants whose prior educational performance does not meet these criteria must complete basic skills evaluation and demonstrate specific basic and prerequisite skills proficiency levels to be granted unconditional admission. All applicants may be required to complete basic skills evaluation through standard means prior to starting classes, to determine their initial course placement. Details regarding basic and prerequisite skills evaluation and results are outlined in the academic catalog. See the academic catalog for additional admission requirements.

---

Applications may be taken through the end of late registration only. DeVry reserves the right to deny admission to any applicant and to change entrance requirements without prior notice. Electronics program applicants should note that color is one method used for coding electronic components; consequently, colorblind individuals may have difficulty in some courses.

Please note, Applicants to a New Jersey or New York Location must present proof of immunization against certain diseases as required by state law. Applicants should contact an admissions representative for further information.

**Schedule**

DeVry maintains morning, afternoon, and/or early evening sessions for onsite courses. Morning sessions typically run from 7:00 AM to 1:00 PM. Afternoon sessions typically run from 1:00 PM to 7:00 PM. Evening sessions typically run from 6:30 PM to 10:30 PM, or on weekends, if available. Specific times of attendance vary according to individual student schedules. Students with standard schedules attend classes between 15 and 24 hours per week, depending upon the semester. Part-time students' schedules will vary each semester between 3 and 11 hours per week, depending upon courses chosen. DeVry reserves the right to assign class sessions and to reschedule class sessions, if and when necessary. Students are expected to participate as required on a course-by-course basis and may be dismissed for failure to do so. See the academic catalog for details.

**Course Loads**

Students in good standing may register for as many as 12 semester-credit hours per session and as many as 24 semester-credit hours per semester. Students may not register for more than the allowed semester-credit hours. Students whose academic history indicates academic difficulties may be required to take a reduced academic load.

**Attendance/Dismissal Policy**

Those seeking services from DeVry, including students and applicants, who breach DeVry rules or normal standards of good conduct (including those identified in the Code of Conduct) may be subject to sanctions, including dismissal or ineligibility for enrollment or services. DeVry reserves the right to sanction those who do not comply with the Code of Conduct. See the Student Handbook and campus community website for complete details about the Code of Conduct. Students who fail to maintain satisfactory academic progress are subject to dismissal. See the academic catalog and the student handbook for full details.

**Specific Provisions for Distance Education**

DeVry University registers students for online courses throughout the year. When a student is accepted and registers for a course, DeVry University grants access to this course shell for preview two weeks prior to the scheduled start date of the course.

All course materials are available to students electronically via the online course shell at the beginning of a course, whether or not the student has fully paid or has requested that all of the material be sent.

Throughout the duration of the course, students can reasonably expect a response to online submission of assignments any time after the Tuesday evening following the weekly submission deadline of 11:59 PM MST Saturday night. Other submissions (i.e. discussion board posts, etc.) completed through the course shell generally provide an immediate digital response indicating only that the transmission was completed successfully.

**Career Services**

Graduates of DeVry programs are entitled to career services to help them seek employment in business or industry. While employment cannot be guaranteed, career services staff will continue to work with students after graduation. Graduates who intend to utilize DeVry's career services must agree to DeVry's requirements for an employment search, including specific responsibilities allocated to the graduate. Agreement to utilize DeVry services to support an employment search entitles DeVry to confirm the graduate's hire date, job title, responsibilities and salary with the employer to ensure accuracy of published statistics. Colleagues from DeVry University, it's Keller Graduate School of Management, or any DeVry Educational Development Corp. institution are not entitled to career services and waive their rights to career search assistance. The level of career services offered to International students/graduates will vary, and will depend on the employment opportunities permitted by NAFTA and/or their individual student visas. See the academic catalog for more details.

**Part-Time Employment**

The DeVry University Career Services department will help assist students in their search for part-time employment

while they are enrolled. Students are eligible for career services assistance beginning their first day of classes.
